

ABOUT ME

Hi, I'm Thi, founder of 25th Studio.

With over 8 years of experience in the beauty industry, I specialize in creating customized lash and brow services designed to enhance your natural beauty while maintaining the health of your natural lashes and brows.

My passion extends beyond providing beauty services. I also love educating and mentoring aspiring lash artists, helping them build strong foundations in retention, isolation, styling, and lash artistry.

At 25th Studio, my goal is to provide a luxury experience where every client feels confident, comfortable, and beautiful.

Whether you're looking for a natural enhancement, wispy lashes, anime-inspired styles, a lash lift, or perfectly styled brows, every service is tailored to your unique features and goals.
